

Ali - research shed designs

Jasper - research hosting options, research user authentication

Matt - look into home depot/ lowes api

Dakota - research JS and web foundations, pictures.

Norma & Terrance - sign in page

TODO:

Need: xcel spreadsheet of items and costs

Research:

Interesting shed builder app to use as mode: <https://www.ranbuild.com.au/shed-builder/>

Home depot prefab shed page:

<https://www.homedepot.com/b/Storage-Organization-Sheds-Garages-Outdoor-Storage-Sheds-Wood-Sheds/N-5yc1vZbu93>
